President's Note

With the change of seasons it's time to say hello to spring and our annual Garden of Note sale! This fundraiser offers you an opportunity to help out the Guild and still get full value for your dollars! You buy one or more \$25 Garden of Note vouchers from the Guild, and use them to purchase \$25 worth of your nursery products at Sargent's. Sargent's donates 20% to the Rochester Music Guild for each voucher. For more information, see the article on page 2 of this newsletter. An order form for vouchers is printed on the back page of the newsletter.

One of the many joys of springtime is looking forward to our long-awaited Minnesota summer! This summer, we will enjoy the very first ARTigras, sponsored by the Rochester Arts Council. The purpose of ARTigras is to highlight Rochester as an arts destination and to showcase the treasury of artists and arts and cultural organizations that exist in our city. One of the activities planned is a Musical Strollathon, a fundraiser to benefit the arts organization of your choice — in our case, the Rochester Music Guild. For information on how to participate in this event, see the article on page 5 of this newsletter.

Spring is also time to say farewell to retiring Music Guild Board members. The Music Guild has been enriched by the dedicated service of so many volunteers. Jackie James and Chris Parisi have served for three years as Chairs of the Scholarship Competition. During that time they have seen a large increase in the number of student competitors and in the size of the awards. This year we had a record number of entrants to

the Music Guild Scholarship Competition. The competition continues to offer vital recognition and support for talented young music students. We are grateful that the Music Guild can recognize these talented musicians and that our lives are enriched by hearing them perform each year at the Winners Recital.

We also say good-bye this spring to Carla Nelson, who has done a tremendous job co-chairing the *Garden of Note* fundraiser for several years. And to Jeff Webster, who has brought a high degree of professionalism the past two years to the Music Guild's *Lunch & Learn* educational programs. Farewell also to Jeff's wife, Judy Webster, who has been our tireless Volunteer Coordinator. Jeff and Judy will be moving on to other retirement opportunities.

Lastly, Marilyn Riederer has finished her year as Past-President and will also be leaving our organization. On behalf of the Rochester Music Guild, I would like to thank all these individuals one last time for enriching our community through their service.

As we say good-bye to old friends, it is also time to give a welcome to our new associates. We have a remarkable slate of new Board members for 2009-2010. Ann Petit (owner of Petit Music) will be coming onto the Board as a Co-Chair of the *Garden of Note* fundraiser. Kevin Dobbe (University Center Rochester, Music Department and Digital Arts Coordinator) will be chairing the *Lunch & Learn* program. Drew Durtschi (Laboratory Sciences - Mayo Clinic) and Amaria Najem O'Leary (works with Honors Choirs) will be heading up our Scholarship Competition this next year. And lastly, Glenn VanLaningham (past Treasurer and current Financial Advisor for RMG) has agreed to serve as President-Elect for the 2009-2010 season.

**Garden of Note
Voucher Sale**

It is spring! Time for our largest fund raiser, the Garden of Note! Rochester Music Guild volunteers are selling \$25 vouchers that you can use at Sargent's Garden Center and Landscape Nurseries (both locations) to purchase all the lawn and garden products you need for spring. Use your vouchers anytime up to May 31 to purchase flowers, annuals, gardening tools, mulch, and more! (Exceptions include grills, weddings, and landscape design.)

Everyone wins. You purchase your nursery products at Sargent's with \$25 vouchers and Sargent's donates 20% to the Rochester Music Guild for each voucher. The proceeds are used to fund the Guild's scholarship program and to help support the Rochester Symphony Orchestra & Chorale.

You can help in two ways. We need sellers – people to sell vouchers to their friends, neighbors, colleagues, relatives. And, of course, you can order vouchers for your own use.

To buy vouchers or ask any questions, you may contact:

Barbara Eakins at 288-7800
(eakinsbf@aol.com)

or

Carla Nelson at 288-2159
(CarlaNelson@CarlaNelson.org)

Or you can use the handy order form printed on the back of this newsletter.

**Rochester Music Guild
Annual Meeting**

The annual meeting of the members of the Rochester Music Guild was held Tuesday, April 21, at the Zumbro Lutheran Church.

The meeting began with a delightful mini-recital in the church sanctuary by the talented first-place winners from our scholarship competition: Minsoo Kim, playing clarinet; Kelsey O'Leary, voice; Annemarie Ryu, playing violin; and Evan Johnson, playing the Zumbro Lutheran Church organ.

Next, a short business meeting was held. Our treasurer, Rick Kiscaden, brought us up to date on the financial status of the organization. A minor change to the by-laws was approved, and the following slate of officers was elected for 2009-2010:

President	DeAnn Spencer
Secretary	Wendy Johnson

Treasurer	Richard Kiscaden
President-Elect	Glenn VanLaningham

Five new board members were elected: co-chair of Garden of Note Ann Petit; Grants chair George Malkasian; Lunch & Learn chair Kevin Dobbe; and Scholarship co-chairs Drew Durtschi and Amaria Najem O'Leary.

Board members returning in their current positions for next year are: Sylvie Nickel, Arts Advocate; Barbara Eakins, Garden of Note co-chair; Jean Gutschenritter, Historian; Maureen Lemens, Membership chair; Naomi Atrubin, Member-at-Large; Linda Anderson, Member-at-Large; Joyce Lewis, Publications Editor; Nancy Slocumb, Ushers chair; and Richard Kiscaden, Webmaster.

Finally, we adjourned to the church lounge across the hall for delectable desserts, refreshing punch, and some lively discussion of arts issues in our community.

**Herberger's
Community Days**

Our February 28th event was a great success! Total booklet sales were \$1430.00 with a bonus received from Herberger's of \$291.25.

We had an incredible outpouring of support from members who volunteered their time to pre-sell coupons as well as selling coupons at the February Community Day event. Because Rochester Music Guild had such an enthusiastic response during the February pre-sale period, Herberger's gave us more in-store selling time for the actual Community Day event. A special thanks goes to all the volunteers, including DeAnn Spencer, Wendy Johnson, Jean Gutschenritter, Jeff and Judy Webster, Glenn VanLaningham, Marilyn Riederer, Shirley Edmonson, Nancy Slocumb, Pauline Krieger, Joyce Lewis, Sylvie Nickel, and Linda Anderson.

Warmest thanks and grateful applause goes to all those who purchased coupon books and volunteered their time in the store to sell coupons. We know these are trying economic times, and because of that, your generosity is even more appreciated. This year's Herberger's Community Day fundraisers helped to support our educational programs and scholarships as well as our commitments to the Rochester Symphony Orchestra & Chorale. It is our commitment to the goals and ideals of Rochester Music Guild that made these fundraisers such a success!

Scholarship Competition Winners

The 45th annual Young Musicians Scholarship Competition was held Saturday, February 7, 2009, at First Presbyterian Church in Rochester. Sixty talented area musicians competed in four categories – piano, strings, voice, and wind instruments – for awards totaling \$4800. Additional honorable mention (non-monetary) awards were presented in each division.

Judges for this year's competition were Deanne Mohr, assistant professor of music at Winona State University, piano; Beth Ray, associate professor of music and associate department head at Luther College, voice; Paul Lance, professor of cello and director of orchestral activities at Winona State University, strings; and Julie Johnson, faculty member at the MacPhail Center for Music in Minneapolis, wind instruments.

The four divisions are named for noted Rochester musicians who spent much of their lives involved in music.

Carter Douglas was a gifted young pianist whose developing talent touched many in our community in her short life.

Georgia Daniel worked for over 22 years in the Rochester Public Schools, teaching students and directing school orchestras.

Sally Duffy, a two-time President of the Rochester Music Guild, sang with the Rochester Symphony Orchestra Chorale and had a passion for music and the arts.

Carl Schroedel, who served on both the Rochester Music Guild Board and the Rochester Orchestra and Chorale Board, was a performer himself as well as a dedicated supporter of the arts.

The scholarships are funded from memorial funds established in their names, from Rochester Music Guild monies, and from the Judy and Jim Sloan Foundation.

The first, second, and third place winners performed in a recital held Sunday, February 15, for a large audience of parents, Guild members, and friends, impressing all in attendance with their exceptional talents and musicianship.

Following the performances, award certificates and scholarship checks were presented to the winners. A reception in their honor then concluded the event. We extend our hearty congratulations once again to the winners of this year's competition.

Meet RMG President-Elect Glenn VanLaningham

Glenn VanLaningham is not a stranger to any of us in the Rochester Music Guild. He has been on our board for several years, serving four years as Treasurer and this past year as Financial Adviser. For 2009-2010, he is moving to the position of President-Elect – which means we'll have him on the board for three more years! Those of us who have served with him on the RMG board value not only his sound financial judgment but also his good common sense on the many other issues that we deal with.

Glenn grew up in Des Moines, Iowa, and did his undergraduate work there at Drake University. It was there that he met his good friend, Royce Thornburg, a music major who introduced Glenn to concert music and generally raised his level of music appreciation. Royce was updating his record collection with the "new" 33-RPM records, and gave the old 78s to Glenn who then got familiar with a lot of that classical music. Unfortunately, Royce soon developed multiple sclerosis, which he fought for many years, dying just last year.

After graduating from Drake, Glenn served in the U.S. Army for two years, and then worked as an employment counselor with the Iowa Employment Service in Des Moines. When he became interested in going beyond employment issues to marital, family, and personal issues, he came up north to the U of MN to begin work on a masters degree in social work. This is where he met his wife Ella.

Having learned from Royce the benefits of volunteering as an usher for the Drake/Des Moines Symphony Orchestra, Glenn and Ella volunteered as ushers at the Northrup Auditorium on the University of Minnesota campus. In this way, they could attend all of the events that came to Northrup - the weekly Minnesota Symphony, all touring artists, plays, operas, and so forth. They continued ushering even after graduation for several years. Naturally, they could not possibly attend all of the events, and sometimes had to choose, for example, between the Met's "Carmen," or the Israel Philharmonic Orchestra. It was an inexpensive way to see and hear the best!

The first year of their marriage, Glenn and Ella collaborated on a joint master's thesis. Having survived that, they went on to raise two children together. Their greatest loss occurred in 1986, when their 24-year-old son Dale died from complications following surgery. Their daughter Kate is an intensive-care registered nurse in Minneapolis and has raised two fine sons, Dustin and Luke, both now in college.

Glenn worked for five years in the social services department of Anoka County, before moving to Rochester in 1965 as the director of a newly formed organization now known as Rochester Family Service. Glenn remained the director there for over 30 years until he retired in 1995. Over the years, Glenn has been an active volunteer in many, many Rochester organizations. Glenn served as director for foreign student exchange programs associated with the YMCA and the Rotary Club of Rochester. He and Ella have personally hosted seven students in their home, and

enjoy keeping in touch with these young people after they returned to their home countries.

Since retirement, Glenn has delivered Meals on Wheels weekly as a volunteer, and also served on the Board for Community Food Response, helping out twice or more monthly with the food collection or distribution. He is currently enjoying his role as a tour guide for classes of students at the Olmsted County History Center, and especially enjoys participating in historical skits – he even grew a beard for his role as General Ulysses Grant!

Meet RMG Board Member-at-Large Linda Anderson

Linda Anderson joined the Board of Directors this past October to fill a vacant slot as the Herberger Days chairperson, jumping in feet-first, so to speak. She rose to the occasion, particularly with a very successful spring sale.

Born and reared in Hastings, Nebraska, Linda was active in music, playing the violin through elementary school and participating in a chamber orchestra in high school. She set the violin aside a few years following high school, but has always considered herself a "music wannabee." She loves to sing, but only when no one is listening. Nonetheless, music plays an important role in her life.

She attended college at Brigham Young University in Utah, married and moved to Phoenix and then Omaha. She and her husband had three children. She returned to school to complete a master's degree as a nurse anesthetist, and came to work at the Mayo Clinic in 1999. She is currently at St. Marys Hospital in neuro-surgery. "The work can be very heart grabbing," according to Linda, with some very difficult and tragic cases. However, "many turn out to make miraculous recoveries."

Linda's children are now all adults – a daughter married and living in Ohio; a daughter in medical school; and the youngest, a son, "still trying to find himself."

Linda has participated as a youth leader in her church. Spending time with children has always been a pleasure for her. Her most recent hobby is learning how to develop and tend her garden after purchasing a home in Rochester. "It is a steep learning curve," she adds, but she is enjoying this new venture. She loves to travel, and is currently planning a trip to the Galapagos Islands this autumn. A daily work-out at the gym is part of her regular routine.

Teaching is also an important part of her life – she teaches anatomy for nurse anesthesiology students, and enjoys participating in the continuing education program in her unit at St. Marys.

Linda looks forward to becoming further involved in the Rochester Music Guild. She has been impressed by all of the "behind the scenes" work that goes on – people giving their time to support the arts with their time and funds so that others can learn and perform.

In Memoriam: Margaret Burchell

Margaret "Margie" Helmholz Burchell, one of the founding members of the Rochester Music Guild, died on February 23, 2009, at the age of 92.

Her ability to connect with people of all sorts and her generosity of spirit greatly enriched the communities in which she lived. Margaret ("Margie") was born in Evanston, Illinois, the youngest child of Henry Helmholz and Isabel Lindsay Helmholz, and grew up in Rochester, Minnesota. She played tennis "from the cradle" with in-house opponents — her three older brothers, with whom she shared a love of the game and a competitive spirit.

After graduating from Smith College, class of 1939, Margie worked in Boston as a social worker before returning to Rochester, where she helped organize a new nursery school, later to become Aldrich Memorial Nursery School. In 1942 she married Howard Burchell who was stationed in San Antonio, Texas, with the U.S. Army Medical Corps. After the war, Margie and Howard settled in Rochester where four daughters were born and where Margie established her life-long commitment to community service.

In 1964, Margaret became involved with the founding of the Rochester Music Guild and was on the first Board of Directors.

In 1968, Howard and Margie moved to St. Paul where she quickly found new groups with which to share her talents and energy. Along with her work at Unity Church of St. Paul, she was a committed volunteer for two organizations that especially reveal her passions: Melpomene Institute for Women's Health, and the Greater Twin Cities Youth Symphonies, for which she was on the founding Board of Directors and served as Treasurer for over twenty years.

**Lunch & Learn
April 20, 2009**

The final Lunch & Learn of the season was held at Zumbro Lutheran Church and featured Bella Voce Young

Women's Choir. The Bella Voce choir has 77 singers in grades 8-12.

Bella Voce was founded in 2007 by conductor Shelly Winemiller with a unique focus on service to the community through musical performance. Over 50 attendees gathered to learn more about this group and listen to its celebration of choral music. Lunch for this program was catered by Daube's Bakery. We've all enjoyed the delicious lunches from Daube's for the past two seasons and we're happy that they will continue to provide lunches at Zumbro Lutheran Church again next year.

I'll be stepping down next year as Lunch & Learn chair so that Judy and I can spend the winter in a much warmer place! I'll be available, per his request, to help Kevin Dobbe, who has agreed to take over the job. The Lunch & Learn ad hoc committee, consisting of Esther Pfeifer, Marilyn Riederer, Nancy Slocumb, Phyllis Layton, and Pauline Walle, which has been invaluable to me especially this past year, will also be available to help Kevin in his first year as L&L chair.

The Lunch & Learn programs have been very well received over the years, doubling in attendance over the past two years. To keep improving these programs, we are seeking input from those of you who have attended, and from those who would like to attend, on how to make them even more interesting and focused on what you would like to see. We are also looking at the possibility of adding some alternative attendance opportunities — for example, some evening sessions.

As we plan the programs for next season, we invite you to print the survey available at www.rochestermusicguild.org and mail it in to us at:
