Accompanists: Competitors must provide their own accompanists. Please arrange for a solid commitment from your accompanist prior to submitting your application. Your accompanist must be available for both the competition and the recital. We base our scheduling in large part on accommodating accompanists who are playing for multiple competitors on the competition days. Full accompanist contact information is a requirement for an accepted application.

Performance Requirements:

Competitors must perform two selections drawn from two different music period classifications listed below. These selections should also differ in style, tempo, and technique.

- 1) *Renaissance* *Dowland, Palestrina, Byrd, Monteverde, etc.*
- 2) *Baroque*. *Handel, Bach, Scarlatti, etc.*
- 3) *Classical*. *Haydn, Clementi, Mozart, Beethoven, etc.*
- 4) *Romantic*. *Schubert, Schumann, Chopin, Rachmaninov, etc.*
- 5) *Composers born after 1880*. *Bartók, Prokofiev, Shostakovich, Ginastera, Debussy, etc.*
- 6) *Classical Musical Theatre before 1965*. *Lerner & Loewe, Harnick & Bock, Sondheim, Bernstein, etc.*

Transcriptions are allowed.

You must perform each piece starting at the beginning or at the start of the movement as indicated by the competitor on the application. Repeats are optional. Cuts are not allowed except in the piano accompaniment.

Performance time: Ten minutes

A volunteer is present to time each performance.

Options for dividing the performance time between your two selections:

A) *You may decide the exact division of time.*

You may request the timer to stop you at a predetermined time during your first selection so you can begin your second piece - thus you decide the exact division of time. Keep in mind that you must demonstrate mastery of two different styles. This option allows you to include, for example, an important climax or a specific technical passage in one piece while still allowing time to present a solid portion of the second selection.

B) *You may ask the timer to stop you at the halfway point—five minutes—so that you may begin your second piece.*

Performance Procedure and Atmosphere

Students should check in at the Registration Desk and will be directed to a warm-up room and performance room. Competitors should go to the performance room at least 5 minutes prior to the scheduled performance time. Due to lack of availability at the church, there are no pianos in the warm-up rooms. The competitor may briefly warm up his/her voice prior to performing.

The competition auditions are open to the general public.

Scholarship Winner Selection

The adjudicators will write critiques and select scholarship winners. Winners will be notified by email. Winners' names are posted on the Music Guild website. Shortly after the competition, competitors will receive the adjudicators' written critiques.

All winners are expected to perform in the Winners' Recital on Sunday, April 19, 2026 at Christ United Methodist Church, 400 5th Avenue SW, Rochester. This is a special celebration for scholarship winners, their families, teachers, friends, and the public. Winners may be invited to perform at the Rochester Music Guild annual meeting.
